7. What other sources of funding have you investigated and what amounts have been raised? The deficit is taking from funds raised that are spent on the upkeep of the church, the maintenance of the church Banns, and the cost of enabling our church family and others in the community to learn + study + worship.
8. What would happen if this request for a grant is unsuccessful? It would put additional pressure on the PCC to ensure that the grounds are managed and well kept for the use of everyone that wishes to visit.

Additional Information

9. Please give any additional information which you feel to be relevant, including details of any funds received from public bodies during 2020, due to the CoVid-19 epidemic.
